# Garden Hot Spring

The hot spring has 7 natural circulation pools, which are hidden in the tropical jungle garden. The hot spring water comes from the famous "Xinglong hot spring". Its hot spring water comes from the long-term circulating groundwater in the middle and deep of broken blocks and fault zones such as Hercynian diorite and Yanshanian granite. It dissolves and absorbs the minerals and geothermal of the surrounding rock. It is rich in silicon dioxide and fluorine, which is also known as "fluorosilicate water".

# Surrounding Scenic Spots

# Surrounding Scenic Spots

## Xinglong Tropical Botanical Garden (6 km)

Xinglong Tropical Botanical Garden is located in Hainan Xinglong overseas Chinese tourism economic zone. Founded in 1957, it is the first Tropical Botanical Garden opened to the outside world in Hainan, covering an area of more than 600 mu and more than 2300 plant varieties. The botanical garden has varieties of tropical cash crops, trees and horticultural plants, preserves wild plant resources and rare species, introduces valuable tropical plant species at home and abroad, and makes reasonable allocation. It is a comprehensive tropical botanical garden with rich species resources and beautiful landscape.

# Surrounding Scenic Spots

## Shimei Bay (6 km)

Shimei Bay Tourism Resort is one of the six key tourism development zones in Hainan. It is composed of two bays shaped like a crescent moon. The six kilometer long blue sea and silver beach are surrounded by low and gentle hillsides with dense vegetation. The sea water near the shore is clear to the bottom. With the deepening of the seabed, the sea water also changes from light blue to dark blue. It is praised by experts of the World Tourism Organization as the most beautiful existing undeveloped Bay in Hainan.

# Surrounding Scenic Spots

## Outlets Shopping Mall (8 km)

It is located 1km from the intersection of Xinglong Shenzhou Peninsula Expressway in Wanning area of Hainan East Line Expressway to Xinglong, covering an area of 1500 mu and a construction area of 650000 square meters. The project includes "outlets world famous brand discount store", characteristic folk commercial street, star hotel, bar street, children's playground, serviced apartment, high-end health resort, etc.

# Surrounding Scenic Spots

## Riyue Bay (8 km)

Riyue Bay in Hainan is one of the sea areas with high-quality fixed-point wave type and beach wave type in the world. The water quality here is clear, and the annual average temperature of the sea water is about 26.5 °C. It is suitable for surfing all year round. The 2m big wave is from October to march of the next year, lasting for half a year. The wave is long and extremely powerful, with many wave frequencies. It is the bay with the best surfing resources in China and is loved by ronins at home and abroad!

# Surrounding Scenic Spots

## Binhai Tourist Highway (8 km)

Binhai Tourist Highway is located on the east coast of Wanning City, Hainan Province, with a total length of 74.4 kilometers. It is known as a "storytelling" tourist highway. It starts from the exit of Shimei Bay of Hainan East Expressway in the South and reaches Da Huajiao in the north. The whole line connects many beautiful bays of Wanning, such as Shimei Bay, Nanyan Bay, Shenzhou Peninsula, Lao Yehai, Hou Tan, Baoding Bay, Chunyuan Bay and Da Huajiao .

# Surrounding Scenic Spots

## Hainan The Dunes Golf Club (13 km)

The club is a 36-hole golf course with five practice holes. The course is carefully designed by the internationally famous golf master Tom Weskov. It integrates the unique geographical environment and charming scenery of the Shenzhou Peninsula from undulating coastal dunes to jagged mountain boulders. The stadium also has a unique natural bunker, which is perfectly integrated with the surrounding environment. It seems to have existed here for many centuries.

# Surrounding Scenic Spots

## Boundary Island (16 km)

The boundary Island Scenic Spot with tropical island style is located at the Niuling exit of Haiyu East Expressway in Hainan Province. It is surrounded by stone peaks, cliffs, strange trees, clear sea water and connected with the beach. There are also unique marine entertainment projects such as coral reef diving, dolphin diving, submarine wedding, semi submarine, dolphin bay sightseeing, motorboat, submarine walking and sea umbrella towing. Tourists can feel unprecedented novelty and excitement.

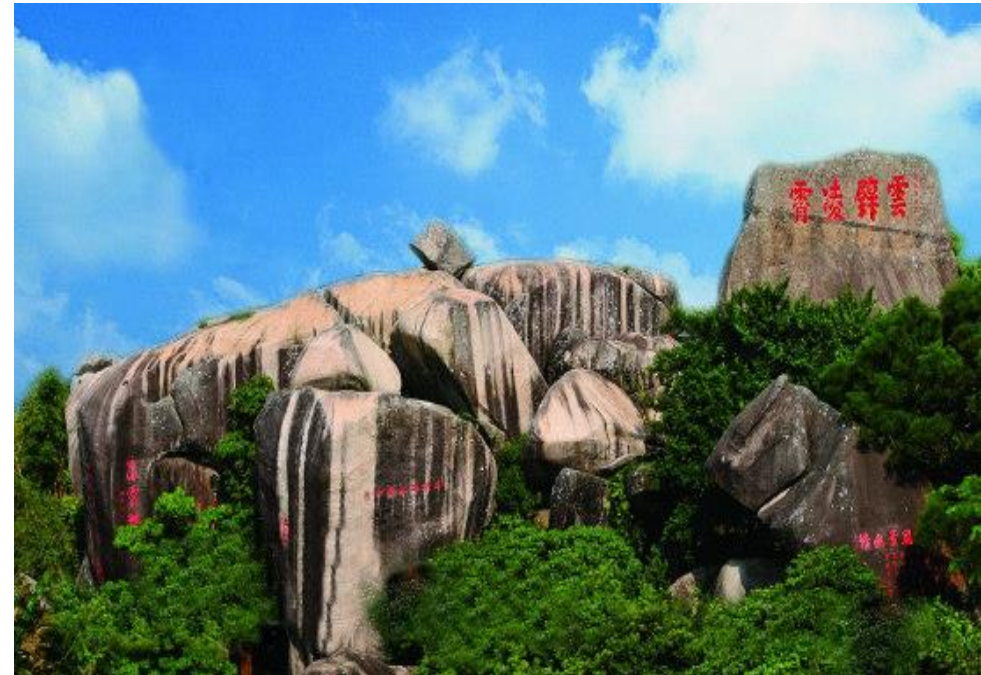

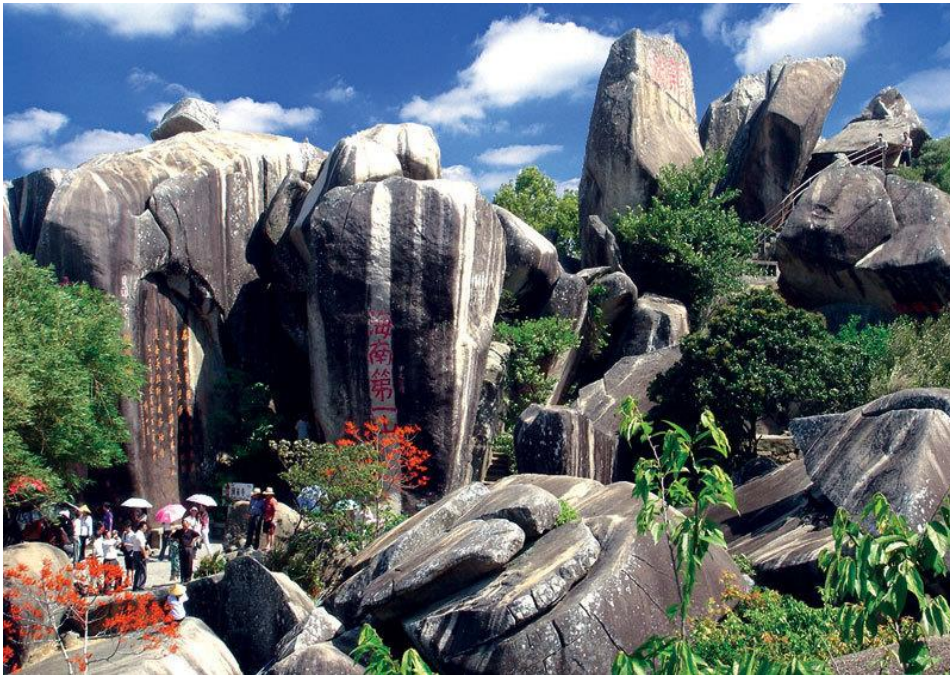

# Surrounding Scenic Spots

## Dongshan Ridge (20 km)

Dongshan Ridge scenic spot is 2km east of Wanning City. Because of the coexistence of three peaks, it looks like a Bija mountain. It is also called Bija mountain in history. It is one of the earliest tourist attractions developed in Hainan. Dongshan Ridge covers an area of 10 square kilometers and is only 184 meters above sea level. Dongshan Ridge is full of strange stones.
